

### Word List – Years 5 and 6

Alongside taught spelling sessions, the children will be learning the following key words. It is recommended to focus on a maximum of ten words at a time.

|             |             |             |             |               |             |
|-------------|-------------|-------------|-------------|---------------|-------------|
